MIAMI-DADE COUNTY, FLORIDA
Special Obligation Bonds
(Convention Development Tax)

SECURITY FOR THE BONDS

Pledged Funds

The Convention Development Tax Special Obligation Bonds (the "Bonds") are special and limited obligations of the County and are payable solely from and secured equally by a pledge of and lien on the Pledged Funds pursuant to Ordinance No. 96-85 (the "Senior Lien Ordinance"). The Pledged Funds described in the Senior Lien Ordinance consist of Designated Revenues, all funds, other than the Rebate Fund, held in trust, including investment earnings by the County under the Senior Lien Ordinance for the benefit of the Bondholders, inclusive of the Reserve Fund created under the Senior Lien Ordinance, and Available Sales Tax.

Application of Available Sales Tax

The application of Available Sales Tax is triggered only when the County does not have sufficient moneys on deposit in the Debt Service Fund to make payments on the Bonds. At that time, the County shall, on a pro rata basis with all payments, if any, required to be made from Available Sales Tax with respect to Additional Parity Obligations and Additional Sales Tax Parity Obligations, deposit to the Debt Service Fund Available Sales Tax revenues in an amount sufficient to make up any such deficiency. The use of Available Sales Tax revenues under the Senior Lien Ordinance is thus limited to making up short-falls in the Debt Service Fund and is not permitted to be used for the purpose of replenishing the Reserve Fund.

Since the County is not under any requirement to reserve or accumulate Available Sales Tax for payment of the Bonds, it is possible that if there came a time when the Pledged Funds (other than Available Sales Tax) were insufficient to make a payment of principal and/or interest on the Bonds, the County might not have sufficient Available Sales Tax, at that point in time, for purposes of making the applicable debt service payment on the Bonds. Given that the County's share of the Sales Tax will first be used to pay indebtedness under the Senior Sales Tax Ordinance and thereafter paid into the County's General Fund, it is possible that although sufficient Available Sales Tax revenues exists from a debt service coverage ratio perspective for indebtedness secured by the Sales Tax to make payment upon the Bonds, Available Sales Tax revenues will have been applied by the County from its General Fund for other purposes. In the opinion of the County, this scenario is not likely and would only arise if a simultaneous depletion of a material portion of County's revenue sources occurred.

Limited Obligations

The Bonds are special and limited obligations of the County, payable solely from and secured by the Pledged Funds. The Bonds do not constitute general obligations or indebtedness of the County within the meaning of any constitutional or statutory provision or limitation and the County is not directly, indirectly or contingently obligated to levy any ad valorem taxes or to make any appropriation for the payment of the Bonds, except from the Pledged Funds. Neither the full faith and credit nor the taxing power of the County, the State of Florida or any political subdivision of either of them is pledged to the payment of the Bonds.

Certain Defined Terms

"Available Sales Tax" means Sales Tax available for application after payment of debt service and other required deposits related to the Series 1996 Sales Tax Bonds issued pursuant to the Senior Sales Tax Ordinance and "Refunding Bonds," as such term is defined in the Senior Sales Tax Ordinance.

"Convention Development Tax" means the tax imposed by the County on the exercise within its boundaries (other than the Cities of Bal Harbour and Surfside) of the taxable privilege of leasing or letting transient rental accommodations at the rate of three percent (3%) of the total consideration charged therefor authorized pursuant to Section 212.0305(4)(b), Florida Statutes, and imposed by the CDT Ordinance.

"Designated Revenues" means two-thirds of the receipts of the County, net of administrative costs permitted to be deducted from such amount by Section 212.0305(5)(b)5, Florida Statutes, and Section 29-61.1(b) of the County Code (i.e., an amount not in excess of 2% of collections), from the Convention Development Tax deposited in the Dade County Convention Development Tax Trust Fund (the "Trust Fund"), created by Section 29-61.1(b) of the County Code, which amount can be applied by the County as permitted by Section 212.0305(4)(b)2a and c, Florida Statutes and the CDT Ordinance.

"Sales Tax" means the County's share of the local government half-cent sales tax eligible to be pledged for the payment of principal and interest on any indebtedness incurred to pay the cost of any capital project, pursuant to the provisions of Part VI of Chapter 218, Florida Statutes, entitled Local Government Half-Cent Sales Tax.

"1996 Interlocal Agreement" means the Interlocal Cooperation Agreement between the County and Miami Beach, Florida related to the Bonds.

Limitation on Further Encumbrances of Pledged Funds

In the Senior Lien Ordinance, the County has covenanted that it shall not issue any other obligations payable from the Designated Revenues and Available Sales Tax, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien on the Designated Revenues and the Available Sales Tax in favor of the Registered Owners of the Bonds issued pursuant to the Senior Lien Ordinance, except under the conditions and in the manner provided in the Senior Lien Ordinance and except for Hedge Agreements permitted under the Senior Lien Ordinance. Any obligations issued by the County other than the Bonds, Additional Bonds, Refunding Bonds, Additional Parity Obligations, Additional Sales Tax Parity Obligations and Hedge Agreements shall contain an express statement that such obligations are junior and subordinate in all respects to the Bonds as to lien on, source of and security for payment from, the Designated Revenues and the Available Sales Tax.

MIAMI-DADE COUNTY, FLORIDA
Subordinate Special Obligation Bonds
(Convention Development Tax)

SECURITY FOR THE SUBORDINATE BONDS

Pledged Funds

The Convention Development Tax Subordinate Special Obligation Bonds are special and limited obligations of the County and are payable solely from and secured equally by a pledge of and lien on the Pledged Funds pursuant to Ordinance No. 97-210, enacted by the Board of County Commissioners of Miami-Dade County, Florida (the "Board") on November 18, 1997 (the "1997 Ordinance"). Pursuant to the 1997 Ordinance, the payment of the principal of, redemption premium, if any, and interest on the Subordinate Special Obligation Bonds and the payment of Hedge Obligations shall be secured, equally and ratably by an irrevocable lien on the Pledged Funds, prior and superior to all other liens or encumbrances on the Pledged Funds, and the County has irrevocably pledged the Pledged Funds for the payment of: (i) principal and interest on the Bonds and for the reserves for the Bonds issued under the 1997 Ordinance; (ii) Hedge Obligations; and (iii) all other payments provided in the 1997 Ordinance in the manner and with the priority of application, as provided in the 1997 Ordinance.

The Pledged Funds described in the 1997 Ordinance consist of: (i) Designated CDT Revenues (as defined below); (ii) the Omni Tax Increment Revenues, but only with respect to the Series 1997A Bonds and Bonds issued under the 1997 Ordinance to refund the Series 1997A Bonds; (iii) all funds held by the County under the 1997 Ordinance for the benefit of Bondholders; (iv) investment earnings on the funds referenced in (iii); and (v) to the extent payment from such source is necessary in accordance with the terms of the 1997 Ordinance, the Available Sales Tax deposited to the Debt Service Fund pursuant to Section 505 of the 1997 Ordinance and the separate agreement with the Bond Insurer.

The following numbered items summarize the Pledged Funds defined in the 1997 Ordinance.

1. Designated CDT Revenues. The Designated CDT Revenues are revenues which arise from the Convention Development Tax Act. Under this Act, the County has imposed a convention development tax of 3% of the total consideration charged for the leasing and letting of transient rental accommodations (e.g. hotel charges, motel charges, apartment leases for six months or less) within the County (other than the Village of Bal Harbour, Florida and the City of Surfside, Florida). Pursuant to the Convention Development Tax Act, the Convention Development Tax is divided between the County and the City of Miami in the proportions set forth below in the description of the defined term "Designated CDT Revenues."

The Designated CDT Revenues, for any year, are described in the 1997 Ordinance as follows:

(a) two thirds of the proceeds (net of the permitted 2% of the collections for administrative costs) of the Convention Development Tax imposed by the County, (the "County CDT"),

less the bond service requirement (as defined in Ordinance No. 96-85 (the "Senior Lien Ordinance")) for the outstanding Special Obligation Bonds and amounts payable to Miami Beach pursuant to an Interlocal Agreement dated as of June 21, 1996 between the County and Miami Beach (the "Miami Beach Interlocal Agreement"), which payments are not to exceed \$1,500,000 per year through 2002 and not to exceed

\$4,500,000 per year from 2003 through 2026 and ending on March 31, 2026 (the "Miami Beach Payments");

plus

(b) one third of the proceeds (net of the permitted 2% of the collections for administrative costs) of the Convention Development Tax (the "City CDT")

less the payments ("MSEA Payments") to the Miami Sports and Exhibition Authority ("MSEA") consisting of: (1) debt service on the Miami Sports and Exhibition Authority Special Obligation Bonds and Refunding Bonds, Series 1992A and Series 1992B (the "MESA Bonds"); (2) an annual operating subsidy of \$777,000 in Fiscal Year 1997 with an escalator of 3% annually through the Fiscal Year ending 2020; and (3) the arena asset replacement requirement of \$45,662,000 in the aggregate through Fiscal Year ending 2020, as established in the MSEA bond documents and shown on the following table;

less

(c) the **Prior Payments**, consisting of the: (i) Arena Operating Subsidy, which is comprised of annual payments by the County including the \$3,000,000 operating cost payment and \$3,500,000 municipal services payment, net of amounts which may be payable to the County; (ii) Cultural Affairs Grants comprised of amounts payable to the Cultural Affairs Council of the County in an amount not to exceed \$1,000,000 per year commencing in Fiscal Year 2002; (iii) PAC Construction Grants which will be \$0 since the County has decided to forgo the PAC Construction Grants and will use proceeds from the Series 1997B Bonds to fund projects that would have been funded with the PAC Construction Grants; and (iv) PAC Operating Subsidy comprised of the annual operating subsidies payable with respect to the PAC Project in amounts not to exceed \$1,400,000 per year for Fiscal Years 2002-2004, \$1,500,000 for Fiscal Years 2005-2007, \$1,700,000 for Fiscal Years 2008-2010 and \$2,000,000 thereafter. All shown on the following table.

The following chart sets out MSEA Payments, Miami Beach Payments, and Prior Payments to be paid from CDT from Fiscal Year 1998 through Fiscal Year 2038, the Fiscal Year in which the Subordinate Special Obligation Bonds mature.

⁽¹⁾ Pursuant to the Miami Beach Interlocal Agreement, the maximum Miami Beach Payments per year beginning in Fiscal Year 2003 are \$4,500,000. The County, however, anticipates that the actual required Miami Beach Payments will be approximately \$2,600,000 during that period.

⁽²⁾ PAC Construction Grants to be funded from Series 1997B Bonds.

2. **Omni Tax Increment Revenues.** These revenues represent tax increment revenues generated within the Omni Redevelopment Area. The Omni Tax Increment Revenues are payable only with respect to the Series 1997A Bonds and any Bonds issued under the 1997 Ordinance to refund the Series 1997A Bonds. The Omni Tax Increment Revenues are paid in an amount up to but not more than \$1,430,000 in each year from amounts on deposit in the Omni Redevelopment Trust Fund, payable to the County on March 31 of each year until 2026, provided however, prior to the first such payment, the Community Redevelopment Agency for the Omni Community Redevelopment Agency (the "CRA") may retain a total of \$1,200,000 of such revenues received during the three year period commencing in Fiscal Year 1997 for other redevelopment projects of the CRA. Pursuant to the Omni Interlocal Agreement, the Omni Tax Increment Revenues may only be applied to debt service related to the Downtown PAC. **As referenced above, the Omni Tax Increment Revenues are not pledged to either the Series 1997B Bonds or the Series 1997C Bonds.**

3. **1997 Ordinance Trust Funds.** All funds, other than the Rebate Fund, held in trust by the County under the 1997 Ordinance for the benefit of the Bondholders, inclusive of the Reserve Fund created under the 1997 Ordinance.

4. **Investment Income.** All earnings and investment income derived from the investment of the funds referenced in (3) above, but in no event including moneys held in the Rebate Fund created under the 1997 Ordinance.

5. **Available Sales Tax.** The County's share of Sales Tax available for application after payment of debt service and other payments to the Senior Sales Tax Bonds or any obligations refunding such Senior Sales Tax Bonds ("Available Sales Tax"), is pledged to payment of the Subordinate Special Obligation Refunding Bonds but is not subject to a lien for payment of the Subordinate Special Obligation Bonds until those funds are placed in the Debt Service Fund pursuant to Section 505 of the 1997 Ordinance. Notwithstanding Section 505 of the 1997 Ordinance, the County has covenanted in a separate agreement with the Bond Insurer to maintain a separate account (the "General Fund Account") within the County's General Fund. The County will deposit Sales Tax revenues into the General Fund Account on a monthly basis, to the extent required, to ensure that at the end of each month moneys in the Debt Service Fund, together with moneys in the General Fund Account, are equal to the Bond Service Requirement on the Subordinate Special Obligation Bonds for such month. The County may release funds from the General Fund Account on a monthly basis to the extent that other Pledged Funds are deposited into the Debt Service Fund in a sufficient amount equal to the Bond Service Requirement for that month. The deposit and release of moneys from the General Fund Account will take place on this monthly reconciliation basis. At the end of each six month period corresponding to an interest payment date on the Current Interest Bonds or the compounding of amounts on the Capital Appreciation Bonds, if moneys in the Debt Service Fund are insufficient to meet the Bond Service Requirement, then the appropriate amount of Sales Tax revenues must be transferred from the General Fund Account and deposited into the Debt Service Fund to make up such deficiency.

Limited Obligations of the County

THE SUBORDINATE SPECIAL OBLIGATION BONDS ARE SPECIAL AND LIMITED OBLIGATIONS OF THE COUNTY, PAYABLE SOLELY FROM AND SECURED BY THE PLEDGED FUNDS AS DESCRIBED IN THIS OFFICIAL STATEMENT. THE SUBORDINATE SPECIAL OBLIGATION BONDS DO NOT CONSTITUTE GENERAL OBLIGATIONS OR INDEBTEDNESS OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION AND THE COUNTY IS NOT DIRECTLY, INDIRECTLY OR

CONTINGENTLY OBLIGATED TO LEVY ANY AD VALOREM TAXES OR TO MAKE ANY APPROPRIATION FOR THE PAYMENT OF THE SUBORDINATE SPECIAL OBLIGATION BONDS, EXCEPT FROM THE PLEDGED FUNDS. NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE COUNTY, THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION OF EITHER OF THEM IS PLEDGED TO THE PAYMENT OF THE SUBORDINATE SPECIAL OBLIGATION BONDS.

Additional Sales Tax Parity Obligations

The 1997 Ordinance also provides for issuance of bonds on a parity with the Special Obligation Bonds and the Bonds as to the lien of Available Sales Tax ("Additional Sales Tax Parity Obligations"). Additional Sales Tax Parity Obligations can be issued and delivered by the County only (i) by the County's compliance with the requirements of the ordinance or resolution authorizing such Additional Sales Tax Parity Obligations, and (ii) by execution by the Finance Director of a certificate indicating that for a period of any twelve (12) consecutive months out of the twenty-four (24) months immediately preceding the sale of such Additional Sales Tax Parity Obligations, the total amount of Sales Tax and other legally available revenues, if expressly pledged or to be pledged to the payment of the Additional Sales Tax Parity Obligations (including the Bonds and the Special Obligation Bonds) by the terms of the ordinance authorizing such Additional Sales Tax Parity Obligations, received by the County during such period is at least equal to 1.50 times the highest amount payable in any one Fiscal Year on the Senior Sales Tax Bonds, the Bonds, the Special Obligation Bonds and the other Additional Sales Tax Parity Obligations then outstanding, if any, and the Additional Sales Tax Parity Obligations then proposed to be issued.

LIMITATION ON FURTHER ENCUMBRANCES OF PLEDGED FUNDS

No Liens on Pledged Funds Except as Provided in the 1997 Ordinance

In the 1997 Ordinance, the County covenanted that it shall not issue any other obligations payable from the Designated CDT Revenues, Omni Tax Increment Revenues and Available Sales Tax, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien on the Designated CDT Revenues, Omni Tax Increment Revenues and the Available Sales Tax in favor of the Registered Owners of the Bonds issued pursuant to the 1997 Ordinance, except under the conditions and in the manner provided in the 1997 Ordinance and except for Hedge Agreements permitted under the 1997 Ordinance. Any obligations issued by the County other than the Subordinate Special Obligation Bonds, Additional Bonds, Refunding Bonds, Additional Sales Tax Parity Obligations and Hedge Agreements shall contain an express statement that such obligations are junior and subordinate in all respects to the Bonds issued pursuant to 1997 Ordinance and Hedge Agreements as to a lien on, source of and security for payment from, the Designated CDT Revenues, Omni Tax Increment Revenues and the Available Sales Tax.

Limitations on Additional Pledges of Sales Tax

The County has covenanted in the 1997 Ordinance, so long as any Bonds issued under the 1997 Ordinance remain Outstanding, not to issue any Bonds or other obligations payable from and secured by a lien upon the County's share of the Sales Tax on a parity with the Senior Sales Tax Bonds or any "Refunding Bonds" as such term is defined in the Senior Sales Tax Ordinance under which the Senior Sales Tax Bonds were issued. The Senior Sales Tax Bonds are superior in right of payment to the Subordinate Special Obligation Bonds and Special Obligation Bonds with respect to Sales

Tax. The Senior Sales Tax Bonds are scheduled to mature on October 1, 2002.

MIAMI-DADE COUNTY, FLORIDA
Special Obligation Bonds
(Courthouse Center Project)

SECURITY FOR THE BONDS

Pledge Revenues

The Courthouse Center Special Obligation Bonds (the "Bonds") are special, limited obligations of the County payable solely from Pledged Revenues. Pledged Revenues are defined in Ordinance No. 94-98, as amended (the "Bond Ordinance") as the Pledged Filing and Service Charge Revenues, and all moneys and investments, including any investment earnings, held for the credit of the funds, accounts and subaccounts established under the Bond Ordinance or any Series Resolution, other than the Rebate Fund for each series of Bonds.

Pursuant to Sections 28.241 and 34.041, Florida Statutes, the County Clerk is authorized to collect the Filing and Service Charge Component of Filing and Service Charges, which are used for the support of the court system. Under present law, the sum of all such charges imposed pursuant to Section 28.241, Florida Statutes, with respect to the Circuit Court, or Section 34.041, Florida Statutes, with respect to the County Court, which includes the State mandated charges and any such charges imposed by the governing authority of any county, including the Board of the County, for the support of court facilities and/or legal aid programs may not exceed \$200. With respect to the Filing and Service Charge Component, the State of Florida has imposed certain minimum charges and has authorized each county to impose filing fees and service charges in excess of the State mandated charges for providing and maintaining court facilities, including law libraries, for the use of the courts within the county in which such charges are collected, or for a legal aid program in such county. Since 1975, the County, by ordinance, has imposed such excess fees for the Miami-Dade County public guardianship program, for the maintenance of the Miami-Dade County law library and for other court related improvements and programs. Ordinance No. 93-55, which was enacted by the Board on May 18, 1993 ("Ordinance No. 93-55"), imposed additional excess fees which became effective on November 29, 1993, following the acquisition by the County, on October 28, 1993, of certain real property and improvements located at 175 N.W. First Avenue, Miami, Florida (and commonly referred to as the "Courthouse Center"). Such Filing and Service Charges, less the Non-pledged Filing and Service Charges, along with the fines and forfeitures arising from violations of ordinances and misdemeanor offenses tried in the County Courts within the County and payable to the County pursuant to Chapter 34, Florida Statutes, comprise the Pledged Filing and Service Charges. The Pledged Filing and Service Charge Revenues, which are collected by or on behalf of the County Clerk from the imposition of Pledged Filing and Service Charges, together with moneys and investments (and earnings thereon), in certain of the Funds and Accounts established pursuant to the Bond Ordinance, comprise the Pledged Revenues securing the Bonds.

At the present time neither the County nor the County Clerk is aware of any proposal to increase the Filing and Service Charges imposed pursuant to Section 28.241 or Section 34.041, Florida Statutes and no assurances can be given that such Filing and Service Charges will be increased in the future or that the \$200 limit will be increased if such Filing and Service Charges are increased in the future. Similarly, no assurances can be given that the State Legislature will not reduce the \$200 limit on such Filing and Service Charges in the future or enact legislation which would impair the ability of the County to impose Filing and Service Charges by local ordinance, including the Pledged Filing and Service Charges. The Filing and Service Charges may be reduced by the County, subject to the rate covenant contained in Section 702 of the Bond Ordinance.

Limited Obligation

The Bonds are special, limited obligations of the County payable solely from the Pledged Revenues. Neither the faith and credit of the State of Florida nor the faith and credit of any agency or political subdivision thereof or of the County are pledged to the payment of the principal of, premium, if any, or the interest on the Bonds. The issuance of the Bonds shall not directly or indirectly or contingently obligate the State of Florida or any agency or political subdivision thereof or the County to levy any taxes whatever therefor or to make any appropriation for their payment except from the Pledged Revenues provided for their payment under the Bond Ordinance.

THE 11th JUDICIAL CIRCUIT

The State of Florida is divided into twenty judicial circuits. Each judicial circuit is composed of a circuit court and one or more county courts, depending on the number of counties each circuit serves. The Eleventh Judicial Circuit in and for Miami-Dade County (the "Eleventh Judicial Circuit"), has jurisdiction that encompasses only the County.

The Eleventh Judicial Circuit covers an area of almost 2,600 square miles and serves a population of 2.1 million. With over 100 judges serving within its jurisdiction, it is the largest judicial circuit in Florida and ranks among the five largest state court systems in the country. As referred to above, the Eleventh Judicial Circuit is comprised of the Circuit and County Court. County Courts have original jurisdiction over misdemeanor cases, violations of municipal and County ordinances, and civil causes of action involving less than \$15,000. Generally, Circuit Courts may hear those matters which are not vested in the County Courts and appeals as provided by general law. They also have the power to issue writs. The Circuit and County Courts are further divided into divisions, each of which is further described below.

THE COUNTY CLERK

Pursuant to Section 218.36, Florida Statutes, the County Clerk prepares a budget in two parts, one relating to the State court system in his capacity as Clerk of the Circuit and County Courts, and the other relating to the functions as Clerk, Ex-Officio of the Board. The former is funded from the Filing and Service Charges imposed under Chapters 28 and 34, Florida Statutes, and the latter is funded by the Board as part of the County's annual budget. However, Florida Statutes permit a county clerk to enter into an agreement, for the period of time which corresponds to such county clerk's term of office, whereby the county clerk deposits with the county all Filing and Service Charges collected by such county clerk, which permits the county to fund the operations of the county clerk's office through its annual budget. The present County Clerk, Harvey Ruvin, has entered into such an arrangement with the Board.

MIAMI-DADE COUNTY, FLORIDA
Special Obligation Bonds
(Miami-Dade Fire and Rescue Service District)

SECURITY FOR THE BONDS

General Obligation Pledge

The Miami-Dade Fire and Rescue Service District Special Obligation Bonds (the "Bonds") are payable from unlimited ad valorem taxes levied on all taxable property in the Miami-Dade Fire and Rescue Service District (the "District") (excluding exemptions as required by law) without limitation as to rate or amount. The direct annual property tax provided to pay the Bonds is required to be levied upon all District property, except property of such nature as may be exempt from taxation under the provisions of the Constitution and laws of the State of Florida (the "State"), and provision is required to be included and made in the annual budget and tax levy for the levy of such taxes. The ad valorem tax levied for payment of the Bonds may be adjusted in any year for excess moneys on deposit in the Principal and Interest Account, including investment earnings on such Account; provided, that moneys on deposit in said Account, along with the taxes to be collected for that year, after allowance for anticipated delinquencies in collection, will be sufficient to assure the prompt payment of principal of and interest and redemption premium, if any, on the Bonds which is due prior to the time that the proceeds of the next annual property tax levy will be available.

THE DISTRICT

Background

Miami-Dade County, Florida is the largest county in the southeastern United States in terms of land area and population. The County currently covers 2,209 square miles and is located in the southeastern corner of the State. Within the County, there are 30 municipalities. In 1999, the population of the County was estimated to have been 2,179,000.

As a result of an amendment to the State Constitution approved in a statewide general election in 1956, and a County-wide election to approve a new charter (the "Charter") in May 1957, the County has home-rule powers, subject only to the limitations of the Constitution and general laws of the State. In effect, the government of the County is endowed with certain powers effective throughout the entire County, including the 27 municipalities, and a municipal government for the unincorporated area of the County. The County has not displaced or replaced the municipalities, but supplements them. The County is empowered to take over particular functions of a municipality's operations if its services fall below minimum standards set by the Board of County Commissioners of Miami-Dade County, Florida (the "Board"), or with the consent of the governing board of the municipality.

The County provides on a County-wide service basis, certain functions which include police services, that complement the municipal police services within the municipalities, a consolidated two-tier court system, a unified public transit system, a combined public library system, garbage and trash collection and disposal services to the unincorporated areas, County-wide property appraisal and tax collection, minimum enforceable standards in areas such as environmental resources management, building and zoning, consumer protection, health, housing and welfare. The County provides a uniform system of fire protection and emergency medical services for the District, which encompasses the unincorporated area of the County and 25 of the 30 municipalities in the County. The Cities of Miami, Miami Beach, Hialeah, Coral Gables and Key Biscayne provide or contract for

their own fire services and emergency medical services.

The Miami-Dade Fire Rescue Department

With over 1700 employees located at 50 fire rescue stations and several administrative facilities, the Miami-Dade Fire Rescue Department (the "Department") provides fire suppression and emergency medical service to approximately 1.3 million people who reside in 25 municipalities and the unincorporated area of the County, encompassing a District of more than 1900 square miles.

Along with basic fire suppression and emergency medical service, the Department maintains: (a) 2 Air Rescue helicopters to transport injured persons to area trauma hospitals; (b) a Hazardous Materials Bureau and a Marine Services Bureau; and (c) 2 specialized airport Crash-Fire-Rescue vehicles, with an entire division assigned to Miami International Airport. The Department also maintains an International Disaster Response Team, which includes a K-9 unit trained to locate people trapped in collapsed buildings. The Department's fire fighters are experts in vehicle extrications, and are specially trained in rope rescue, confined space rescue, high-rise fire fighting, and mass casualty response.

The Director of the Department (the "Director"), along with his executive staff, oversees the day to day operations of the Department. The executive staff consists of a Deputy Director, a civilian Assistant Director of Administration and 5 Assistant Chiefs in charge of operations and various administrative functions. The Department is further divided into divisions, battalions and bureaus run by both uniformed officers and civilian managers. Currently, the Director reports to the County Manager, who has the power to appoint and remove the Director.

The Miami-Dade Fire and Rescue Service Board

On September 2, 1980, the Board enacted Ordinance No. 80-86 (the "1980 Ordinance") creating a special purpose district called the "Miami-Dade Fire and Rescue Service District". A majority of the Miami-Dade County electorate approved the 1980 Ordinance in a special election held on September 9, 1980, before the 1980 Ordinance became effective. Pursuant to the provisions of the Charter in effect at that time, the 1980 Ordinance established the Board as the governing body of the District, authorized the Board to adopt the District's operating budget and provided the District the authority to levy an annual ad valorem tax not to exceed 3 mills upon all taxable property within the District for operating purposes. For 2000, the District's operating budget is \$176.2 million including operating millage and other revenues.

In 1986, the County voters approved an amendment to the Charter that removed the Board as the governing body of the District and replaced the Board with the Miami-Dade Fire and Rescue Service Board (the "Fire Board"). The Fire Board is composed of 5 members elected by the registered voters within the District. Each member of the Fire Board is elected from a single member district.

MIAMI-DADE COUNTY, FLORIDA
Guaranteed Entitlement Bonds

SECURITY FOR THE BONDS

Pledged Revenues

The Guaranteed Entitlement Bonds (the "Bonds") will be secured by a pledge of the proceeds of the Guaranteed Entitlement which is the amount of revenue which must be shared with the County by the State of Florida pursuant to the provisions of Chapter 218, Part II, Florida Statutes (the "Revenue Sharing Act").

The Revenue Sharing Act provides for the distribution of a payment by the State of Florida to units of local government, including counties and municipalities. The Revenue Sharing Act includes a formula for the monthly distribution of revenues and further provides that no eligible county shall receive less revenue sharing funds from the State than that amount received by such county from the State in the Fiscal Year ended June 30, 1972 from the sum of the State cigarette tax, State road tax and State intangible personal property tax (the "Guaranteed Entitlement"). Revenues shared with counties for any Fiscal Year shall be adjusted so that no county receives less funds than its Guaranteed Entitlement plus the Second Guaranteed Entitlement for Counties. The Second Guaranteed Entitlement for Counties is the amount received by an eligible county in Fiscal Year 1981-82 from the State cigarette tax and tax on intangible personal property, less the Guaranteed Entitlement. Only the Guaranteed Entitlement portion of the total State revenue sharing receipts is pledged to the payment of debt service for the Bonds; however, the entire amount of State revenue sharing may be used to pay debt service. The Revenue Sharing Act also provides that a government exercising municipal powers pursuant to Section 6(f) of Article VIII of the State Constitution (Miami-Dade County is a governmental entity covered by Section 6(f)) may not receive less revenue sharing funds from the State than the aggregate amount it received from the Revenue Sharing Trust Fund for Municipalities in the preceding Fiscal Year, plus a percentage increase in such amount equal to the percentage increase of the Revenue Sharing Trust Fund for Municipalities for the preceding State Fiscal Year. Monthly, the County receives from the State revenue sharing trust funds payments attributable to its status as a county and separate payments of revenue sharing trust funds attributable to its status as a municipality. The Revenue Sharing Act further provides that the Guaranteed Entitlement may be pledged for the payment of local government obligations. **However, receipt of the Guaranteed Entitlement monies is solely dependent on the continuing payment of revenue sharing by the State of Florida, on which no assurance can be given.**

The Bonds shall not be deemed to constitute a debt of the County and the County is not obligated to pay the principal of, premium, if any, or the interest on the Bonds except from the Guaranteed Entitlement, and neither the full faith and credit nor the taxing power of the County is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds. The County is not directly, indirectly or contingently obligated to levy or to pledge any taxes whatsoever with respect to the Bonds. No holder of the Bonds shall ever have the right to compel any exercise of the County's ad valorem taxing power to pay the Bonds or the interest thereon or to enforce payment of such Bonds or the interest thereon against any property of the county nor shall such Bonds constitute a charge, lien or encumbrance, legal or equitable, upon any property of the County except the revenues and other special funds pledged for the payment of such revenue bonds.

Covenant Concerning Eligibility to Receive Guaranteed Entitlement

To be eligible to participate in revenue sharing beyond the minimum entitlement in any Fiscal Year, counties and municipalities shall have: (a) reported their finances for their most recently completed Fiscal Year to the Florida Department of Banking and Finance; (b) made provision for annual post audits of their financial accounts in accordance with provisions of law; (c) levied ad valorem taxes, exclusive of taxes levied for debt service or other special millages authorized by the voters, to produce the revenue equivalent to a millage rate of 3 mills on the dollar based on the 1973 taxable values as certified by the property appraiser or, in order to produce revenue equivalent to that which would otherwise be produced by such 3 mill ad valorem tax, collected an occupational license tax or a utility service tax, levied an ad valorem tax, or received revenue from any combination of these sources; (d) certified compliance with State standards for qualification for employment of law enforcement officers, minimum annual salary rate for full time law enforcement officers and salary structure and salary plans for law enforcement officers unless such city or municipality can certify that it is levying ad valorem taxes at 10 mills; (e) certified compliance with the State qualifications for fire fighters employed by the County. (f) certified compliance with the method of setting millage set forth in Section 200.065, Florida Statutes, and Section 200.85, Florida Statutes, if applicable, certifying to the Florida Department of Revenue annually within 30 days of adoption of an ordinance or resolution establishing a final property tax levy or if no property tax is levied, not later than November 1st. Notwithstanding the provisions of (c), above, no unit of local government which was eligible to participate in revenue sharing in the three (3) years prior to initially participating in the local government half-cent sales tax shall be ineligible to participate in revenue sharing solely due to a millage or utility service tax reduction afforded by the local government half-cent sales tax.

Section 805 of Ordinance No. 77-80 provides in part that: "The County shall be unconditionally and irrevocably obligated, so long as any of the Bonds are outstanding and unpaid, to take all lawful action necessary or required to continue to entitle the County to receive the Guaranteed Entitlement in the same amounts and at the same rates as now provided by law to pay the principal of and interest on the Bonds and to make the other payments provided for herein".

MIAMI-DADE COUNTY, FLORIDA
Public Service Tax Bonds

SECURITY FOR THE BONDS

Pledged Funds

Payment of the principal of, redemption premium, if any, and interest on the Public Service Tax Bonds (the "Bonds"), and all Reserve Fund and other payments required to be made under Ordinance No. 96-168 (the "Ordinance"), are secured equally and ratably by a first lien on the Pledged Funds which consist of Designated Revenues and all funds including accrued interest, held in trust by the County under the Ordinance for the benefit of the Bondholder other than funds in the Rebate Fund. Designated Revenues means the Public Service Tax levied by the County in the unincorporated areas of the County upon purchase of electricity, gas, coal, fuel oil, water service, and telecommunications pursuant to the Constitution, County Code and Chapter 166, Florida Statutes. The County has estimated that the Pledged Funds will be sufficient to pay the principal of and interest on the Bonds as they become due and to make all other payments required to be made under the Ordinance.

The County has covenanted in the Ordinance that, until all of the Bonds have been paid or provision has been made for their payment, the County will diligently enforce its right to receive the Designated Revenues and will not take any action which will impair or adversely affect its pledge of the Pledged Funds or the rights of the Bondholders. The County is unconditionally and irrevocably obligated, as long as any of the Bonds are outstanding and unpaid, to take all lawful action necessary or required to continue to entitle the County to receive the Designated Revenues in the same or greater amounts and at the same or greater rates as now provided by law to pay the principal of and interest on the Bonds and to make the other payments provided in the Ordinance, including, without limitation, levying and collecting the Public Service Tax at a rate up to the maximum rate permitted by law. However, nothing in the Ordinance should be construed to prevent revisions of the rates of the Public Service Tax as long as the amount of the Pledged Funds in each year will be at least equal to 120% of the Maximum Annual Bond Service Requirement for any ensuing Bond Year.

Limited Obligation

The Bonds are special and limited obligations of the County, payable solely from and secured by the Pledged Funds. The Bonds do not constitute general obligations or indebtedness of the County within the meaning of any constitutional or statutory provision or limitation, and the County is not directly, indirectly or contingently obligated to levy any ad valorem taxes or to make any appropriation for the payment of the Bonds, except from the Pledged Funds. Neither the full faith and credit nor the taxing power of the County, the State of Florida or any political subdivision of either of them is pledged to the payment of the Bonds.

THE PUBLIC SERVICE TAX

General

Section 166.231, Florida Statutes, as amended, authorizes any State of Florida municipality to levy a public service tax on the purchase within such municipality of electricity, metered and bottled gas (natural liquified petroleum gas or manufactured), water, telephone, telegraph service, coal and fuel oil, as well as any services competitive with those specifically enumerated. This tax may not

exceed 10% of the payments received by the sellers of such public services from purchasers (except in the case of fuel oil, for which the maximum tax is four cents per gallon). The purchase of natural gas or the purchase of fuel oil by a public or private utility for resale or for use as a fuel in the generation of electricity or kerosene for use in aircraft or internal combustion engines is exempt from the levy of such tax.

MIAMI-DADE COUNTY, FLORIDA
Sales Tax Bonds

SECURITY FOR THE BONDS

Pledged Funds

Payment of the principal of, premium, if any, and interest on the Sales Tax Bonds (the "Bonds"), and all Reserve Fund and other payments required to be made under Ordinance No. 96-64 (the "Ordinance"), are secured equally and ratably by an irrevocable lien on the Pledged Funds, prior and superior to all other liens or encumbrances on the Pledged Funds. The County has stated in the Ordinance that the Pledged Funds have been estimated to be sufficient to pay the principal of and interest on the Bonds as they become due and to make all other payments required to be made under the Ordinance. No other bonds are currently Outstanding on a parity with the Bonds.

"Pledged Funds" is defined in the Ordinance to mean the Sales Tax receipts and all funds held in trust by the County under the Ordinance for the benefit of the Holders, and all earnings and investment income derived from the investment of such funds. "Sales Tax" is defined in the Ordinance to mean the County's share of the local government half-cent sales tax payable to the County and eligible to be pledged for the payment of the principal of and interest on any indebtedness incurred to pay the cost of any capital project pursuant to the provisions of Part VI of Chapter 218, Florida Statutes, entitled Local Government Half-Cent Sales Tax.

The County has covenanted in the Ordinance that, until all of the Bonds have been paid or provision made for their payment, the County will diligently enforce its right to receive the Sales Tax and will not take any action which will impair or adversely affect the pledge of the Pledged Funds or the rights of the Bondholders. The County is unconditionally and irrevocably obligated, as long as any of the Bonds are outstanding and unpaid, to take all lawful action necessary or required to continue to entitle the County to receive the Sales Tax in the same or greater amounts and at the same or greater rates as now provided by law to pay the principal of and interest on the Bonds and to make the other payments provided in the Ordinance. The County has covenanted that it will not issue any Additional Bonds as long as any of the Bonds are Outstanding.

Limited Obligations

The Bonds are special and limited obligations of the County, payable solely from and secured by the Pledged Funds. The Bonds do not constitute general obligations or indebtedness of the County within the meaning of any constitutional or statutory provision or limitation and the County is not directly, indirectly or contingently obligated to levy any ad valorem taxes or to make any appropriation for the payment of the Bonds, except from the Pledged Funds. Neither the full faith and credit nor the taxing power of the County, the State of Florida or any political subdivision of either of them is pledged to the payment of the Bonds.

THE HALF-CENT SALES TAX

General

Pursuant to Part 1, Chapter 212, Florida Statutes, the State is authorized to levy and collect a 6% sales tax on, among other things, the sales price of each item or article of tangible personal

property sold at retail in the State, subject to certain exceptions and dealer allowances as set forth in Chapter 212. From all of the sales taxes remitted to the State by a sales tax dealer located within a participating county, 9.653% of the sales taxes collected must be deposited in the Local Government Half-Cent Sales Tax Clearing Trust Fund created in the State Treasury (the "Trust Fund") and earmarked for distribution to the governing body of that county and of each municipality within that county which meets the eligibility requirements for revenue sharing pursuant to Section 218, Florida Statutes. Such moneys are referred to in Chapter 218 as the local government half-cent sales tax (the "Half-Cent Sales Tax"). The Half-Cent Sales Tax is required to be distributed from the Trust Fund on a monthly basis to participating units of local government.

The Half-Cent Sales Tax collected within a county is required to be distributed among the county and the municipalities located in such county in accordance with the formula detailed in Section 218.62(2), Florida Statutes and shown below (the "Distribution Factor"). The Distribution Factor uses revenue sharing population estimates (i.e., permanent population minus inmates and patients residing in institutions operated by the federal government or by the State's Department of Corrections or Department of Health and Rehabilitative Services, according to the *Local Government Financial Information Handbook*) and is calculated utilizing a one year lag in population estimates.

$$\begin{array}{lcl} \text{County's share} & & \\ \text{(percentage of total half-} & & \\ \text{cent sales tax receipts)} & = & \frac{\text{unincorporated area population}}{\text{total county population}} + \frac{2/3 \text{ incorporated area population}}{2/3 \text{ incorporated area population}} \end{array}$$

$$\begin{array}{lcl} \text{Each municipality's share} & & \\ \text{(percentage of total half-} & & \\ \text{cent sales tax receipts)} & = & \frac{\text{municipality population}}{\text{total county population}} + \frac{2/3 \text{ incorporated area population}}{2/3 \text{ incorporated area population}} \end{array}$$

MIAMI-DADE COUNTY, FLORIDA
Special Assessment Revenue Bonds

SECURITY FOR THE BONDS

Pledged Funds

Special Assessment Revenue Bonds (the "Bonds") are payable from and secured by a lien on the Debt Service Fund, including any investment earnings on this Fund, created by Ordinance No. 88-40 (the "Taxing District Ordinance"). The Debt Service Fund is funded from the proceeds of the Bonds to the extent of accrued interest and capitalized interest deposited in the Bond Interest Account and the amount necessary to fund the Bond Reserve Account, and from the proceeds derived from the collection of special assessments and accrued interest, if any, thereon (the "Special Assessment Revenues") levied by the County against the property specially benefitted by the Project, pursuant to the Taxing District Ordinance.

The Debt Service Fund is not pledged or encumbered in any manner except to pay the principal of, redemption premium, if any, and interest on the Bonds. The Debt Service Fund contains a Bond Reserve Account which is funded with a Reserve Account Surety Bond.

Limited Obligation

The Bonds shall not constitute a debt of the County and the County is not obligated to pay the principal of, redemption premium, if any, or the interest on the Bonds except from the Special Assessment Revenues and certain investment income, and neither the full faith and credit nor the taxing power of the County is pledged for the payment of the principal of, redemption premium, if any, or the interest on the Bonds. The County is not directly, indirectly or contingently obligated to levy or to pledge any taxes whatsoever with respect to the Bonds. In addition, the Miami-Dade County Home Rule Amendment and Charter, as amended, provides that all County funds expended for special assessment project areas and special taxing districts shall be provided by service charges, special assessments, or general tax levies within the such districts only.

- (1) The levy of special assessment is based on the calendar year. The variations in collections from year to year are primarily the result of the collection data being given on a Fiscal Year basis while actual collections may occur at any time during the calendar year. The County has never experienced a shortfall in collecting Special Assessment Revenue in an amount sufficient to pay debt service on the Series 1988 Bonds.
- (2) Amounts collected in Fiscal Year 1997 include collections for delinquencies.
- (3) The County's portion of the special assessments levied in Fiscal Year 1995 was not paid until Fiscal Year 1996, resulting in the wide variation during such years.

Stormwater Utility Fees Bonds**

SECURITY FOR THE BONDS

General

The Bonds and the interest on the Bonds shall be a special and limited obligation of the County, payable solely from and secured by a prior lien upon and a pledge of the Pledged Revenues as provided in Ordinance No. 98-187, enacted by the Board on December 15, 1998 (the “Ordinance”).

“Pledged Revenues” is defined in the Ordinance as the Stormwater Utility Revenues and all moneys and investments (and interest earnings) on deposit to the credit of the funds and accounts created in the Ordinance, except for moneys and investments on deposit to the credit of any rebate fund. “Stormwater Utility Revenues” is defined in the Ordinance as all moneys received by the County from the collection of the Stormwater Utility Fees less the amount retained by the County as an administrative charge in accordance with law. “Stormwater Utility Fees” is defined in the Ordinance as fees collectable on all residential, developed property and all nonresidential, developed property in the County permitted under the provisions of Section 403.0893, Florida Statutes, and imposed by the Board pursuant to Section 24-61.4 of the County Code.

Until payment has been provided for as permitted in the Ordinance, the payment of the principal of and interest on the Bonds shall be secured by an irrevocable lien on the Pledged Revenues. The County irrevocably pledges and grants a lien upon such Pledged Revenues to the payment of and interest on the Bonds, the reserves for the Bonds and for all other required payments under the Ordinance, to the extent, in the manner and with the priority of application as provided in the Ordinance. No Holder shall have the right to require or compel the exercise of the ad valorem taxing power of the County for payment of the Bonds, or be entitled to payment of such amount from any other funds of the County, except from the Pledged Revenues in the manner provided in the Ordinance.

Special, Limited Obligation of the County

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE COUNTY PAYABLE SOLELY FROM AND SECURED BY A PRIOR LIEN UPON AND A PLEDGE OF THE PLEDGED REVENUES AS PROVIDED IN THE ORDINANCE. NEITHER THE FAITH AND CREDIT OF THE STATE OF FLORIDA NOR THE FAITH AND CREDIT OF ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE OF FLORIDA OR OF THE COUNTY ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE BONDS. THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF FLORIDA OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE OF FLORIDA OR THE COUNTY TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT EXCEPT FROM THE PLEDGED REVENUES PLEDGED TO AND PROVIDED FOR THE PAYMENT OF THE BONDS UNDER THE ORDINANCE.

Reserve Account

Under the Ordinance, the County is required to maintain on deposit in the Reserve Account an amount equal to the Reserve Account Requirement, which is defined in the Ordinance as the Maximum Principal and Interest Requirements in the then current or any subsequent Fiscal Year on

all Outstanding Bonds or such lesser amount which is the greatest allowed under the Code. The Reserve Account may be funded with cash, investments or a Reserve Account Credit Facility or any combination of them. The Ordinance provides that with respect to the Reserve Account Requirement for any subsequent Series of Bonds, if the County shall have obtained written evidence from each Rating Agency that a withdrawal or reduction in the rating(s) then assigned to the Outstanding Bonds will not result, the County may fund not less than fifty percent (50%) of the Reserve Account Requirement applicable to any Series of Bonds on the date of issuance of the applicable Bonds, and the remaining Reserve Requirement may be funded in substantially equal monthly installments over a period not to exceed sixty (60) months, all as may be provided for in the applicable Series Resolution.

Moneys held for the credit of the Reserve Account shall first be used for the purpose of paying the interest on and the principal of the Bonds whenever and to the extent that the available moneys held for such purpose for the credit of the Bond Service Account and the Revenue Fund shall be insufficient for such purpose, and thereafter for the purpose of making deposits to the credit of the Redemption Account pursuant to the requirements of the Ordinance whenever and to the extent that withdrawals from the Revenue Fund are insufficient for such purposes, and shall next be used to pay Payment Obligations with respect to the applicable Reserve Account Credit Facility, if any. Amounts withdrawn from the Reserve Account for the purpose of payment of debt service on any Bonds shall be replenished by substantially equal monthly deposits into the Reserve Account over a period not to exceed sixty (60) months. If any time the moneys held for the credit of the Reserve Account shall exceed the Reserve Account Requirement, such excess shall be withdrawn by the Finance Director and deposited to the credit of the Revenue Fund.

Issuance of Additional Bonds and First Lien Obligations

Upon satisfying certain conditions contained in the Ordinance, the County from time to time may issue Additional Bonds, or any other obligations that are First Lien Obligations, payable on a parity with the Bonds for the purpose of: (i) paying all or any part of the cost of a Project; and (ii) to pay or refund any obligations of the County incurred with respect to any Project.

Refunding Bonds

Upon compliance with the terms and conditions set forth in the Ordinance, the County may issue Refunding Bonds from time to time, which are secured by a pledge of Pledged Revenues on a parity with any Bonds issued under the Ordinance to refund all or any part of the outstanding Bonds previously issued or other First Lien Obligations, including the payment of any redemption premium and interest which will accrue on such Bonds or other First Lien Obligations to the redemption date or stated maturity date of such Bonds or other First Lien Obligations, funding any funds and accounts to be held under the Ordinance and paying any expense in connection with such refunding and for any lawful purpose.

Rate Covenant

Pursuant to the Ordinance, the County represents and warrants that it is presently assessing and collecting the Stormwater Utility Fee. The County covenants and agrees that as long as any Bonds are outstanding, it shall not amend or modify the ordinances under which it is assessing and collecting the Stormwater Utility Fee in any manner so as to adversely affect the County's ability to meet its obligations with respect to the Bonds.

STORMWATER UTILITY FEES

The County created the Stormwater Utility pursuant to Ordinance No. 91-66 enacted by the Board on June 20, 1991, as amended and codified in Sections 24-61 through 24-61.5 of the County Code (the “Stormwater Ordinance”). The Stormwater Utility is authorized and directed to establish, assess, and collect Stormwater Utility Fees upon all residential, developed property and all nonresidential, developed property in Miami-Dade County, Florida, sufficient to plan, construct, operate and maintain stormwater management systems set forth in the local program required pursuant to Section 403.0891(3), Florida Statutes. The fees are established by an Administrative Order of the County Manager, from time to time, after approval by the Board. In accordance with the local program, the Stormwater Utility is also responsible for the operation and maintenance of the Stormwater System.

Each residential, developed property is assessed a Stormwater Utility Fee calculated by multiplying the rate for an equivalent residential unit (ERU) by the number of the dwelling units on the parcel.

Each nonresidential developed property is assessed a Stormwater Utility Fee calculated by multiplying the rate for one (1) ERU by a factor derived by dividing the actual impervious area of the particular nonresidential, developed property by the statistically estimated average horizontal impervious area of residential developed property per dwelling unit, to wit, the square footage base equivalent established for one (1) ERU. Notwithstanding the foregoing, each nonresidential, developed property classified by the Miami-Dade County Property Appraiser as land use type 71 (property containing a church) shall be assessed a Stormwater Utility Fee which is fifty percent (50%) of the fee for nonresidential developed property calculated as described in the preceding sentence.

The fees payable under the Stormwater Ordinance are required to be deposited in a separate County fund and used exclusively by the Utility to pay for the costs of planning, constructing, operating and maintaining stormwater management systems set forth in the local program required pursuant to Section 403.0891(3), Florida Statutes. No part of said fund may be used for any other purposes.

The Stormwater Utility Fees are \$2.50 per month per ERU, effective October 1, 1998. This rate applies to all residential and non-residential developed property within the service area of the Stormwater Utility.

The table below shows the percentage of collection of Stormwater Utility Fees based on land use.

(1) Collections within the unincorporated Miami-Dade County Stormwater Utility Service Area. This excludes fees collected on behalf of certain municipalities in the Utility under the terms of various Interlocal Agreements. The fees collected in a given period are not necessarily related to billings for that period. This timing difference explains why the amount collected is in some instances higher than the amount billed.

The following table shows the amount of Pledged Revenues that were collected during the County's Fiscal Years ended September 30, 1995 through 1999 and debt service coverage during such years as if the Bonds had been outstanding during all such years:

(2) County's Administrative charges include those of the Stormwater Utility Section of the Department of Environmental Resources Management and the Water and Sewer Department billing and collection charges. Note: the administrative charges to the Stormwater Utility was reduced in Fiscal Year 1999 by approximately \$900,000 per year due to the fact that the Water and Sewer Department will no longer charge the Stormwater Utility a billing fee.
